I believe that Jayne Carlin has all of the relevant State and Federal documents in one place. I need to catch the bus I'll look tomorrow in Lotus Notes (Jenny and Dave should have the same stuff in Seattle) to see if I have the documents you're asking for.

Subject: CZARA Settlement

In preparation for the meeting with the Governor's office on the CZARA settlement, I'm trying to fully understand the representations that Oregon made to EPA and NOAA which, as I understand it, we then based our settlement on. I have some of the letters or documents but not all. I would like to get a copy of EPA and NOAA's 1997 conditional approval of Oregon's program. I would also like a copy of Oregon's October 29, 2009 draft approach for full approval as well as Oregon's July 21, 2010 letter to us.

Thanks.
